Middlesbrough Developmental Paediatric Symposium

A two day medical conference on issues around neuro-development paediatrics packed with information to provide delegates with a practical insight into the issues discussed

Wednesday 30 June - Thursday 1 July 2010

Venue:

Hardwick Hall Hotel
Sedgefield
County Durham, UK

Book online or further information:

www.conferencessouthtees.co.uk,
www.middlesbroughdevelopmentalsymposium.com

Accreditation is being sought from RCPCH for 12 CPD points - certificate of attendance will be given

ABOUT THE COURSE

The aim of the meeting is to bring **top quality national and international speakers** to deliver a broad content of practical information about a range of developmental paediatric conditions. The focus is very much on the kinds of conditions that are regularly seen in paediatric clinical practice.

The event is aimed at consultants, specialist trainees, advanced nurse practitioners, speech therapists and senior nursing staff.

ORGANISING FACULTY

Dr Mark Aszkenasy & Dr Ramesh Kumar

Consultant Paediatricians, South Tees Hospitals NHS Foundation Trust, Middlesbrough, UK

PREVIOUS DELEGATES

'Extremely informative and interesting, lots of information and extremely well presented - videos were very good'

'Excellent delivery - videos were very helpful in understanding the topic'

'Very practical and useful information given that will be clinically relevant'

'Very interesting, good to gain detailed background knowledge'

'Very interesting and thought provoking'

'Brilliant exposition with practical applications'

'A very different approach to a familiar situation'

'Didn't realise there was so much to know about sleep!'

'Thank you for an excellent talk and for showing the kind of resources that are available'
